Press Release:

Notification of Discharge of Untreated Wastewater

General Statute 143-215.1C requires that the owner or operator of any wastewater collection or treatment works to issue a press release when an untreated wastewater discharge of 1,000 gallons or more reaches surface waters.

In accordance with that regulation, the following news release has been prepared and issued to media in the affected county(ies): Rutherford

The Town of Forest City had a discharge of untreated wastewater on 11/15/2018 estimated at 7,500 gallons from Brackett's Creek lift station located at 140 Pitman Street. The spill occurred due to Inflow and Infiltration from a 2.5 inch rain event. The untreated wastewater was discharged into Brackett's Creek in the Broad River Basin.

The Division of Water Resources (Asheville Office) was notified of the event on 11/15/2018 at 2:40 PM and is reviewing the matter. For more information visit the Town's website at www.townofforestcity.com or contact the Town of Forest City Public Works Department at (828)245-0149.
