Section 2. Employee Group Health Insurance

The Town provides group health insurance programs for full-time and part-time employees and their families as specified under the terms of the group insurance contract. The Town will comply with the Affordable Care Act by providing health insurance for all employees expected to work 30 or more hours per week for three or more months. The Town pays the entire cost of health insurance for full-time employees and a pro-rated share for part-time employees. These employees may, if they so desire, purchase available group health, dental and/or vision coverage through the Town for qualified dependents within the stipulations of the insurance contract.
