### ABC LICENSES

Each person who obtains a permit from the state Alcoholic Beverage Control Commission to sell alcoholic beverages – malt beverages, fortified and unfortified wine – must also purchase a local ABC license to engage in that business. To obtain the license, the permit holder must bring in their approved permit from the state and must pay a tax to the local governments in which the business is conducted.

#### City License Tax Schedule

|   |         |
|---|---------|
| On-Premises Malt Beverage .....                             | \$15.00 |
| Off-Premises Malt Beverage .....                            | \$5.00  |
| On-Premises Unfortified Wine, Fortified Wine or Both .....  | \$15.00 |
| Off-Premises Unfortified Wine, Fortified Wine or Both ..... | \$10.00 |

Neither a city nor a county may require a license for the sale of mixed drinks. The license year for local government ABC licenses is May 1 to April 30. In addition, a city may levy a tax on a beer or wine wholesaler located in the city.

#### Maximum Taxes

|                              |         |
|------------------------------|---------|
| Beer Wholesaler .....        | \$37.50 |
| Wine Wholesaler .....        | \$37.50 |
| Beer & Wine Wholesaler ..... | \$62.50 |

The wholesaler tax may not be charged to a business located outside the city.

### BUSINESS REGISTRATION

The Town of Forest City requires a Business/Commercial Zoning Permit Application for any owner or operator maintaining a business location

within the city limits of the town. The purpose of this permit process is to make sure that certain life safety requirements have been met before the business opens. G.S. 160A-194 authorizes cities to “regulate and license occupations, businesses, trades, professions, and forms of amusement or entertainment and prohibit those that may be inimical to the public health, welfare, safety, order or convenience.”

The purpose of the permit process is to ensure that the business is operating in compliance with the State and/or Town building, fire, and zoning inspection regulations.

#### Process for Building, Fire and Zoning Inspection Regulations:

1. Business/Commercial Zoning Permit Application must be completed and approved
2. Completed and submitted application for utilities
3. Pre-Occupancy Inspection completed by the Town of Forest City Inspections Department
4. A Zoning inspection completed by the Town of Forest City Zoning Official/Town Planner
5. A Fire Inspection completed by the Town of Forest City Fire Marshal.

Prior to opening the business and beginning operation, a Certificate of Occupancy will be issued and is required to be posted inside the establishment.
